"TACKLE" PRELIMS 2023

Under the guidance of **MK YADAV SIR**

TACKLE is the Flagship Test Series initiative of theIAShub for the UPSC CSE. **TACKLE Prelims 2023** is the Prelims Test Series for UPSC CSE 2023. The specialty of this program lies in its details. **TACKLE stands for Tactical, Artificially Intelligence driven, and Comprehensive Knowledge** tests, to drive you to higher Learning curve mentored by Experts. TACKLE Prelims program has been diligently designed by experts with **more than 10+ years of experience** in the UPSC field. Within the **39 prelims tests that TACKLE Prelims** program offers, the student will be able to fulfil the shortfalls in their preparation. **TACKLE** aims to plug in major loopholes which are there in conventional test series.

Pain Points	How "TACKLE" Prelims is the Solution?
Evaluation of preparation level as per the UPSC CSE Requirements	• Quality questions strictly based on UPSC pattern • AI Driven Performance Report • Simulator tests (Online + Offline) to provide exam hall environment
Aligning static and current affairs preparation	Exclusive Current Affairs Tests are also included
Underestimating CSAT Preparation	CSAT Tests mapped with the UPSC difficulty level included
Getting Objective and Rational feedback	Online – Live/Recorded test discussion
Score Enhancement Technique and effective Time Management	• Elimination Techniques to accurately & quickly derive answers • Targeted Schedule with suggestive booklist • Multiple revision via Sectional and Full length tests
Lack of strategy or frequent deviations, instead of refinement	Expert sessions to help students continuously modify their strategy, as per preparation level
Lack of customized learning requirements	Offline Evaluation along with AITestified report generated for prelims will help students to refine their strategy according to their strengths & weakness and the psychometric analysis
